

masseur.euse 100%

we are looking for our masseur.euse for a yearly position

located on the mountain pastures in summer and on the ski slopes in winter, chetzeron is a design hotel accessible only by mountain bike and ski. it is therefore essential to be able to ride a mountain bike and ski in all conditions in order to work at chetzeron. quality, excellence, respect for the environment and respect for people are fundamental values for us.

main tasks

carrying out various treatments and massages
organisation of work according to the reception schedule
selling products and services
maintenance and restocking of the massage hut
help in the housekeeping department from time to time

profile

autonomous and hands-on person
excellent presentation, good elocution, easy and pleasant contact
good physical health and a healthy lifestyle
experience of the mountains and an international clientele appreciated
Mountain biking and skiing experience essential

conditions

exceptional working environment with a view of the highest peaks in the alps
43.5 hours and 2 days off per week, pro rata 13th salary
personal ski pass for the ski lifts
free staff meal and 50% discount at the restaurant

if you recognize yourself in our concept, our values and our philosophy, we are waiting for your application! to apply, please send your complete job application to job@chetzeron.ch.
